

Prayers for CA

**Our prayers roar
Against the flames
Destroying home
Destroying lives
Darkening the air
Filling the skies with smoke.**

**Our prayers roar back
To cease
To calm
To lessen**

To become an ember of light.

**Our prayers roar
For those persons
Lost in the flames
Our prayers blanket you.**

**Materials can be rebuilt.
God can give
Beauty for ashes.
Memories can heal.**

**God can access , preserve and heal
memories.**

OUR PRAYERS ROAR.
