

Prayer Amid Seismic Shifts

Come, Holy Spirit, fill the hearts of Your faithful and kindle in us the fire
of Your love.

Send forth Your Spirit, and they shall be created
And You shall renew the face of the earth.

It's been said – this is not merely an era of change but a change of era.
It's been taught that a change of era is produced by a series of events
that reshape the
dominant concept of the world to the point that it becomes largely
inconceivable until a
new worldview takes shape and gives it meaning.

Our seismic shifts of
Ecological crisis
Rapid acceleration of technology

Crisis of liberal democracies led citizens to accept significant
reductions in their rights
and freedoms.

Religious crisis not only in Western societies

Poverty

Racial and Ethnic Inequality
Global Migration and Refugee Crisis
Gender-based violence

In this act of faith and hope
We Pray

Come, Holy Spirit, fill the hearts of Your faithful and kindle in us the fire
of Your love.

Send forth Your Spirit, and they shall be created
And You shall renew the face of the earth.
